- Please call our 24-hour Free Internet Help Desk with any technical questions: 1-866-291-8261
- The Internet Help Desk may refer you to this listing of YVT Broadband approved support providers.
- Support providers are available for installations, repair issues and networking.
- If the Broadband support provider determines that YVT is responsible for your Internet issue, YVT will be responsible for the service call; otherwise you are responsible for all charges.
